

## 2026 — Our Year of Kingdom Dominion

As we step into 2026, the Spirit of God has spoken clearly and deliberately over this house.

**2026 is our Year of Kingdom Dominion.**

This is not a year of survival.

It is not a year of retreat.

It is not a year of merely maintaining what we have.

This is a year of **establishment, authority, and influence.**

Kingdom dominion does not mean force, noise, or striving. It means heaven's rule expressed through a people who are aligned with God's will, grounded in truth, and confident in their identity in Christ.

Jesus declared, "*All authority has been given to Me in heaven and on earth.*" That authority has now been entrusted to His body, the Church. Dominion is not something we are trying to achieve; it is something we are learning to **walk in consciously and consistently.**

In 2026, God is calling us to move from knowing Kingdom truths to **living in Kingdom authority.**

From believing to governing.

From preparation to possession.

From potential to manifestation.

This year will be marked by:

- clarity of purpose
- spiritual authority without striving
- increased influence in families, communities, and cities
- decisions made from identity, not pressure
- fruit that remains

God is establishing His order in our lives so that His power can flow through us without resistance. As we submit to His rule, we will exercise His authority.

This is a year where:

- confusion gives way to direction
- instability gives way to establishment

- limitation gives way to expansion
- fear gives way to confidence in God

We are not waiting for dominion to come.

We are learning to **walk in what has already been given.**

As a church family, we step into 2026 with faith, humility, obedience, and expectation. We commit to aligning with God's Kingdom agenda and allowing His rule to be expressed through our lives.

We declare that this year, the Kingdom of God will be seen, felt, and experienced through us.

**Welcome to 2026 — Our Year of Kingdom Dominion.**
