A daily personal prayer guide prepared for STBC members

By Apostle Ese Duke
Senior Pastor, Spirit Temple Bible Church

A Personal Message from Apostle Ese Duke

Beloved STBC family,

As we enter these 21 days of revival, fasting, and prayer, I encourage you to approach this season with faith, humility, and expectation. This is not a religious exercise. This is a sacred opportunity to quiet distractions, renew our minds in the Word, and align our hearts more deeply with Christ and His assignment for our lives.

Use this guide prayerfully. Read the scripture for each day, pray through every point with understanding, and allow the Holy Spirit to minister to you personally. Do not rush through the prayers. Let them become conversation, communion, and agreement with God.

I believe the Lord will revive hearts, strengthen families, awaken leaders, and expand our Kingdom influence throughout this month.

May the fire of God burn freshly in you. May clarity replace confusion, boldness replace fear, and obedience replace delay. As you pray, may Christ be revealed in your life more fully, and may His glory be seen through you.

I am praying with you and for you. Let us seek the Lord together and expect His mighty hand to move among us.

**In Christ,
Apostle Ese Duke**

Stretch. Make room. Walk in obedience. Possess new territories. Let the glory of Christ be seen through your life.

This is our Month of Kingdom Expansion.

And the glory of Christ shall be seen through us.
